Welcome

to our new S/S 2024 catalogue which is full of brand new, innovative products as well as our traditional favourites to entice customers to your store. We have newness in every category from traditional puzzles to BRIO to games, so there really is something for everyone.

We are very privileged that we operate in a toy industry that is traditionally robust to economic forces but we acknowledge the challenging times in the UK so have decided to hold our prices on every SKU in 2024. Awesome product at the same price!

We also appreciate that time is precious so have introduced our new SANA portal to put you in control of your buying journey. On SANA you can place an order, see the up-to-date inventory holding, check the latest marketing activity, download your invoices and so much more. Please reach out to your Ravensburger contact for more information. We know the importance of the visits that our team make to your stores so they will continue at the same level – if not more! SANA can support those visits and allow for fruitful, engaging discussion on how we can grow our business together.

Some of the highlights of the catalogue include;
