The image shows the Disney Moana 2 Feature Core Doll. On the left is the doll in its retail packaging. In the center is the doll itself, a full-body figure of Moana with long dark hair, wearing a red patterned dress with a gold belt and a gold anklet. To the right of the doll are two accessories: a small red patterned bag and a small green frog. Below the doll is a small orange star. On the far right, there are two inset images: the top one shows a close-up of Moana's face and hair, and the bottom one shows the doll lying down.

PACK SIZE 4 **RRP £21.99**

**HXJ34****CARS HERO DRIFTING – GRC MCQUEEN****+EXPRESSION CHANGE!****STRAIGHT
AWAY****EPIC
DRIFTING!****Product Highlights:**

- Featuring Global Racers Cup Lightning McQueen, inspired by the new AW24 tentpole where Lightning McQueen races and drifts against other global racers in an epic race
- Two racing modes! Watch Lightning McQueen go into drifting mode or straightaway mode just like in a race
- For drifting mode, pull back Lightning McQueen and watch him race forward and drift on the way to the finish line. Drifts a different path every time!
- For straightaway mode, flip a switch, pull back Lightning McQueen and watch him speed away
- Push down on his body to watch his eyes expression change from relaxed to determination mode to get race ready
- GRC Lightning McQueen comes to life in large scale at 9" long

MATTTEL BRANDS

**HXJ32****GLOBAL RACING CUP (GRC) PLAYSET****Product Highlights:**

- Introducing the Global Racers Cup Trackset, inspired by the new Global Racers Cup tentpole. Francesco invites Lightning McQueen to race him one more time not far from Radiator Springs along with other global racers
- Long trackset with tight turns and unique course, just like you'd see in real-world racing
- Multiple moments for epic crashing, but push down the lever to activate the jumping feature to see the cars soar over each other
- When you're ready to crown a champion, pull out the yellow diverter for the car to enter the winner's circle
- Wind up booster shoots cars around the track with no electronics or batteries needed
- Connects to Cars system of play
- Set includes 2 racers: GRC Lightning McQueen and Francesco
- Partial window packaging
