

Introducing
the **NEW**
Peter Rabbit™
range

THE WORLD OF
PETER RABBIT™
Beatrix Potter™

2024 TRADE CATALOGUE

Games • Jigsaws • Colouring Books

Our range of games and jigsaws offer a variety of price points to appeal to a broad range of consumer budgets, whilst offering our retail customers the opportunity to achieve high levels of sales all year round.

Learning Made **Fun**

is, and always will be, at the heart of everything we do. By ensuring every product we make strikes the perfect balance between education and fun, we continue to produce games and jigsaws that get the seal of approval from parents, teachers and children.

Bespoke Design

In addition to our core range, we offer bespoke product design and manufacture. Our product development team work with brands to define a brief and create games or jigsaws that are bespoke to them.

Award Winning

Throughout our 50 year history, many of our games and jigsaws have been crowned award winners, voted by industry professionals, parents and children. Our awards success reinforces the quality of and consumer confidence in our products and the Orchard Toys brand.

Introducing our **NEW** Peter Rabbit™ range

We are delighted to bring you our brand new range
of six Peter Rabbit™ games and jigsaws.

This new collection brings The World of Peter Rabbit™ and Orchard Toys together for the very first time. By taking the iconic look of Peter Rabbit and friends and illustrating them in the style that is synonymous with Orchard Toys, the very best of both our brands is represented in one wonderful collection!

The World of Peter Rabbit™ is one of the most beloved
children's brands and we are thrilled to be
able to bring you this new range of
Peter Rabbit™ games and jigsaws!

Quality Manufacturing

We work with a selection of specialist
suppliers to manufacture our products to
the highest standards, maintaining the
reputation for quality and durability that
our customers have come to love and trust.

Sustainability

Eco-friendly packaging

100% recycled board

Vegetable based inks

Zero to landfill

No batteries required

Sustainably sourced paper

We are passionate about offering high
quality products with a low impact on
our environment, and are committed to
continuing to look at new ways to support
this pledge.

This year, we're excited to launch
our brand new **Peter Rabbit™**
licenced range, along with
some fantastic new
additions to our
core range.

NEW
for 2024!

pages
6-9

THE WORLD OF
PETER RABBIT™
Beatrix Potter™

Orchard Toys and The World of Peter Rabbit™ bring to life the tales of Beatrix Potter in a collection of enchanting games and jigsaw puzzles which are sure to spark the imagination of children.

This range blends the unique creative style, engaging gameplay and educational values of Orchard Toys, with the iconic characters from one of the world's most beloved brands.

Children will enjoy the adventures of the blue-jacketed mischief-maker Peter Rabbit and his friends in this series of fun games and jigsaws.

The World of Peter Rabbit™ and Orchard Toys collection represents the very best of both brands, and our shared values of quality, education, family and fun!

Jigsaw Puzzles

From 2-piece to 150-piece puzzles, the diversity within our jigsaw puzzle range gives retailers the opportunity to appeal to a variety of consumers.

Our jigsaw puzzles are manufactured to an exceptionally high standard, with thick durable pieces that withstand the wear and tear of little hands.

The majority of our puzzles now include posters and learning guides to extend learning and play value.
