2026

**For over 50 years, Orchard Toys has proudly supported early education and development through play.**

Our teacher-tested games, jigsaws and colouring books are designed to help parents, teachers and childcare professionals build essential skills in a fun and engaging way, from counting and literacy to problem-solving and social development.

Crafted to a high standard and sustainably made from durable, eco-friendly materials, our range inspires young minds, fostering a life-long love of play and learning.

## New Look Packaging

We're excited to introduce our fresh new packaging design, arriving throughout 2026! You'll notice some of these updates appearing already throughout this catalogue. The updated look maintains the trusted Orchard Toys aesthetic with a modern refresh that stands out on the shelf. Enhanced with clearer age guidance and optimised box sizes, the new packaging means better shelf efficiency and improved value for retailers.

# Baby and Toddler Range

Thoughtfully designed for children from nine months, this range features beautifully crafted products in a gentle colour palette. Combining renowned quality with eco-friendly materials and non-toxic finishes, each activity makes early learning fun and engaging, offering the timeless charm and lasting value that parents appreciate.
