Character and Branded Catalogue

Sales Hotline: 029 2036 3678

From its origin in 1985 as a regional wholesaler, Kayes of Cardiff has grown into a nationwide distributor, providing access to the largest selection of branded and character merchandise and pocket money toys to the independent trade.

The partnership with Orchard Toys and appointment as Mattel's distribution partner to selected Toymaster and AIS members, means Kayes is now able to offer increased benefits to customers, adding even more big-brand names to its offering.

Kayes works exclusively with leading brands, together with its partners to form the comprehensive portfolio distributed by the company. These include: Sohni-Wicke, Bruder, Playmonster, Halilit, Schleich, Brio, Ravensburger, Jumbo, Tomy, Casdon, Winning Moves, Construct it, Curious Universe and Infantino.

Established characters include: Thomas the Tank Engine, Fireman Sam and Peppa Pig along with leading product categories such as Lamaze, Britains Farm and Fisher Price form part of the selection that Kayes offer.

Kayes flexible operation, offering minimum quantities of large ranges make us an ideal one stop shop for the independent retailer. Our wide selection of quality toys are ideal for Santa's Grotto's gifts.

Kayes was recently awarded Wholesaler/Distributor of the Year at the Progressive Preschool 2022 awards. This wouldn't be possible without the continued and valued support from their customers and suppliers.
