KAYES *of* CARDIFF
2026/27

Sales Hotline: 029 2036 3678

From its origin in 1985 as a regional wholesaler, Kayes of Cardiff has grown into a nationwide distributor, providing access to the largest selection of branded and character merchandise and pocket money toys to the independent trade. Reaching our 40th anniversary last year was an occasion we were all very proud of at Kayes, and we would like to thank all our customers and suppliers for helping us achieve such a huge milestone.

The partnership with Orchard Toys and appointment as Mattel’s distribution partner to selected Toymaster and AIS members, enabled Kayes to offer increased benefits to customers. This year we are pleased to have added Spin Master, Bontempi, Cryptic Killers and Nixy toys increasing our offering even further.

Kayes works exclusively with leading brands, together with its partners to form the comprehensive portfolio distributed by the company. These include: Sohni-Wicke, Bruder, Halilit, Schleich, Brio, Ravensburger, Jumbo, Tomy, Casdon, Basic Fun and Bladez Toys

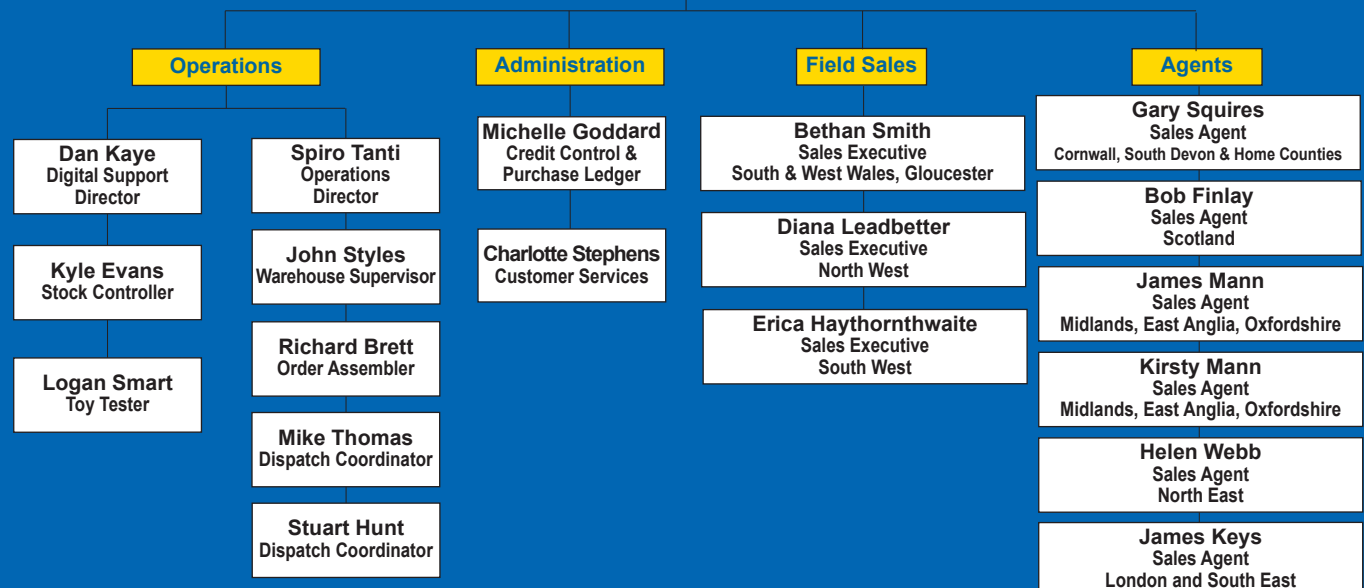

Established characters include: Thomas the Tank Engine, Peppa Pig, Bluey and Paw Patrol along with leading product categories such as Lamaze, Britains Farm and Fisher Price form part of the selection that Kayes offer.

Kayes flexible operation, offering minimum quantities of large ranges make us an ideal one stop shop for the independent retailer. Our wide selection of quality toys are ideal for Santa’s Grotto’s gifts.

Kayes was awarded Wholesaler/Distributor of the Year at the Progressive Preschool 2022 awards and was a shortlisted finalist in 2025. This success wouldn’t be possible without the continued and valued support from their customers and suppliers.
